

Google Cloud Skills Boost 10-weeks access instructions

1. Please open **the Google Chrome browser in an incognito window**. You can use the account you have used for the 1st stage of the program.
2. Make sure you are **signed out from this point forward**.
3. After signing out, click on this link:
<https://www.cloudskillsboost.google/catalog?qlcampaign=1m-ggcfs-69>
If you are unable to redeem the code because of your “organizational license,” please proceed with using that license and disregard the rest of this process.
4. **Then sign in** into your account again. At this stage you should be able to see 9 credits after clicking on your profile photo.
5. Click the **Explore** tab to search for a lab which you can perform with 9 credits. We recommend the fastest and the easiest **“A Tour of Google Cloud Hands-on Labs”** which should not take you more than 10 minutes. Please complete the indicated lab (or any other lab within 9 credits) to unlock the additional benefits i.e. 10-weeks subscription. You will be promoted to the catalog. Please complete a lab to unlock the additional benefits.
6. After completing the lab, please:
 - a. click on the yellow tab “-/100” at the top right of the screen, allowing verification of completion. Before clicking on “end the lab”, you should normally have “100/100” appearing in the yellow tab.
 - b. Once the verification is done and you have clicked on “end lab”, make sure that you have logged out and logged in once again to the Google Cloud Skills Boost platform.
7. After you re-login to the platform, on the top right hand side of the page you will be able to see your profile picture, click on it and go to the settings.
8. You should be able to see ‘monthly subscription’ in your profile within minutes just as shown in the screenshot mentioned below:

Subscriptions and credits

Expiring

9. “If you performed all the actions correctly, you should be able to see the “EXPIRES ON” information on the date which is 10-weeks after your account activation. You can also confirm

you activated it correctly if when clicking in your profile picture you see it says **“Monthly subscription” in green**”.

10. If you are still facing any issue with the 10-weeks access after **going carefully through all the steps mentioned** above then please:

- a. Confirm whether you have an organizational/30-day free trial/another access from previous programs. If so, please use that existing access. If it is set to expire during this program, we will provide you with an additional access code at the time of expiration.
- b. If all steps mentioned above and point “11.a” are not working for you, please contact [Qwiklabs Support](#).

The activation link is open until **July 01st, 2024**, and **will not be extended**, please activate your account accordingly.
