Program Resources

Training Platforms

Communication Channels

And... other available resources :-)

Google Cloud Skills Boost (form. Qwiklabs)

1. Google Cloud Skills Boost is an online learning environment along with a set of instructions to walk you through a live, real world, and scenario-based use case. In a lab you have access to the actual environment you want to learn about, not a simulation or demo environment. You can access the lab environment from anywhere on the Internet using a standard browser.
 1. You have a 10 weeks Google Cloud Skills Boost subscription with access to all Google Cloud labs, quests and Skill Badges. **Read carefully the email “Please create and activate your Google Cloud Skills Boost account :-)” sent on June 11th 2024.** It has all the information you need to activate the account properly.
1. Qwiklabs support can be reached via:
 - a. Email: support@qwiklab.com
 - b. [Qwiklabs Support Portal](#)
 - c. Chat support
 2. While contacting Qwiklabs support please provide the following:
 - a. Your login email address
 - b. Description of an issue to be solved
 - c. Screenshots of the issue (if needed)

Communication Channels

Weekly Emails

Receive useful information on the status of your learning and tips & tricks to get the most out of your prescribed learning journey.

Exam Guide Review Sessions

Weekly exam guide review sessions with a dedicated trainer. The trainer will answer questions and provide additional advice and preparation resources. 6 Exam Guide Review sessions, all sessions will be recorded and available for your cohort only.

Community Forum

For peer to peer support and a direct communication channel with your trainer.
